Testing and Certification Manpower Development Award Scheme 2023-24 Successfully Held 「2023-24年度檢測認證人力發展嘉許計劃」圓滿結束

Following the Award Presentation Ceremony held at the Hong Kong Convention and Exhibition Centre on 4 December 2023 which was attended by over 200 guests and awardees in a joyful atmosphere, the Testing and Certification Manpower Development Award Scheme 2023-24 (Award Scheme) had concluded successfully.

The biennial Award Scheme organised by the Hong Kong Council for Testing and Certification (HKCTC) with the full support of the Innovation and Technology Commission aims to give recognition to testing and certification (T&C) bodies fully devoted to nurturing of talents and T&C practitioners who have been pursuing professional development and enhancing service quality persistently.

Applications for awards under the Award Scheme were assessed separately by two independent Assessment Panels, including the shortlisting of applicant T&C practitioners for interview. For the Testing and Certification Manpower Development Corporate Award, 20 T&C bodies and 15 ones received the Platinum Award and Gold Award respectively. As regards the Excellent Testing and Certification Professional Award, there was a total of 19 awardees in the two sub-groups – including 7 Junior Professionals and 12 Senior Professionals.

In congratulating the awardees of T&C bodies and practitioners at the award presentation ceremony, the HKCTC Chairman, Professor Wong Wing-tak, said, "We hope that good examples would be set for different sectors of the community to appreciate the great importance attached by the T&C industry to talent and also for the young generation to better understand the professional's mission as well as contributions to society. By attracting talent to join the pool, Hong Kong's T&C industry would be in a position to open a new chapter of sustainable development in this latest era of technological innovations." The Secretary for Innovation, Technology and Industry, Professor Sun Dong, gave a few words of encouragement to the T&C industry. He said, "The awards you received today are in recognition of your outstanding performance. As for the time ahead, I look forward to each of you being able to learn from one another in continuing to strive for excellence while partnering up, so that we together contribute our parts to the technological innovations and high-quality economic development of Hong Kong and our country."

HKCTC would like to extend congratulations once again to all the awardees, while expressing gratitude to the stakeholders of the T&C sector, the chairmen and members of the two Assessment Panels, as well as the 15 supporting organisations for their vigorous support. The elaborate publication prepared for the Award Scheme and the highlight photographs of the event have been uploaded to the dedicated website of the Award Scheme (tcmpaward.hk) and can be browsed via HKCTC's Facebook/Instagram ([hkctcgovhk](https://www.facebook.com/hkctcgovhk)).

Trophies prepared for the Awardees. 為得獎者訂製的獎座。

Commemorative publication and T&C buddy bear were provided for participants and photo spots were set up. 大會向出席人士送贈的紀念特刊及檢測小熊及在會場設置打卡位。

Guests took photos at the awardees display panel. 來賓在得獎者展示板前留影。

隨著2023年12月4日假香港會議展覽中心舉行了頒獎典禮，「2023-24年度檢測認證人力發展嘉許計劃」（嘉許計劃）經已圓滿結束，超過200位嘉賓和得獎者出席，場面熱鬧。

由創新科技署全力支持、香港檢測和認證局主辦的兩年一屆嘉許計劃，是對長期全面投入人才培育的檢測認證機構，以及努力不懈發展專業和致力提升服務水平的從業員，加以肯定。

嘉許計劃由兩個獨立評審小組對獎項的申請進行評審（包括甄選申請人進行面試）。就「檢測認證人力發展機構獎」，分別有20間和15間檢測認證機構，獲得「鉑金獎」和「金獎」。至於「卓越檢測認證專業人員獎」，兩個組別共19位從業員取得獎項，包括7位「初級專業人員」及12位「高級專業人員」。

香港檢測和認證局主席黃永德教授在頒獎典禮上祝賀各得獎機構及從業員，並表示：「期望藉着各位的成功例子，讓社會各界了解檢測認證業對人才的重視，促進年青人認識這個專業的使命和對社會的貢獻，協助業界吸納人才，為香港檢測認證業在科技創新時代建設可持續發展的新局面。」創新科技及工業局局長孫東教授勉勵業界，他表示：「今日的嘉許是對你們優秀表現的肯定，同時我也希望大家相互學習，繼續力臻卓越，並肩同行，一起為香港、為國家的科技創新和經濟高質量發展貢獻力量。」

香港檢測和認證局再次祝賀所有得獎者，並感謝檢測認證業界各持份者，兩個評審小組的主席和成員，以及15個支持機構的大力支持。大會為嘉許計劃精心製作的特刊及當天的焦點相片已上載專設網頁 (tcmpaward.hk)，亦可瀏覽本局的Facebook/Instagram專頁 ([hkctcgovhk](https://www.facebook.com/hkctcgovhk))。

The thrilled event was attended by over 200 guests and awardees. 超過200位嘉賓和得獎者出席頒獎典禮，場面熱鬧。

Latest Statistics on Testing and Certification Sector Job Creation Scheme 「檢測和認證業創造職位計劃」 最新統計數字

The Testing and Certification Sector Job Creation Scheme (TJCS) was launched in August 2022 with the aim of encouraging private testing and certification (T&C) organisations to create more job opportunities and attract talent to join the T&C sector. The application period for the scheme has closed on 31 July 2023. A total of 54 accredited private T&C organisations has participated in the scheme and collectively created over 170 job positions. The total annual funding involved exceeded HK\$17 million. Here are the latest statistics of the scheme:

「檢測和認證業創造職位計劃」於2022年8月推出，旨在鼓勵檢測認證機構創造更多就業機會，吸引人才加入檢測認證業。計劃已於2023年7月31日截止申請，合共有54間獲認可的私營檢測認證機構參加，創造了超過170個工作職位，涉及的全年資助額超過1,700萬元。以下是計劃最新的統計數字：

Specialised T&C Fields 檢測認證專業範疇

Construction Materials 建築材料 64 ✓	Medical Testing 醫療化驗 22 ✓	Chemical Testing 化學測試 18 ✓	Environmental Testing 環境測試 15 ✓	System Certifications 管理體系認證 15 ✓
Food Testing 食品測試 14 ✓	Calibration Services 校正服務 8 ✓	Electrical and Electronic Products 電氣及電子產品 5 ✓	Product Certification 產品認證 5 ✓	
Toys and Children's Products 玩具及兒童產品 3 ✓	Greenhouse Gas Verification 溫室氣體核查 1 ✓	Indoor Air Quality Inspection 室內空氣質素檢驗 1 ✓	Physical and Mechanical Testing 物理及機械測試 1 ✓	

Quota Utilisation Rate of Applicant Organisations 申請機構資助名額使用率

Professor Wong Wing-tak, the Chairman of the Hong Kong Council for Testing and Certification, expressed gratitude to the Innovation and Technology Commission for the timely introduction of the first job creation scheme specifically designed for the T&C sector under the Anti-epidemic Fund, which has supported the industry during the pandemic. And the increase in subsidy quota from a maximum of two eligible job positions to five per organisation has demonstrated a positive response to better meet the industry's needs for development. Subsidised organisations also acknowledged that the subsidy under the scheme allows them to hire more employees and assists in training new staff, which, in turn, could further enhance their competitiveness and stimulate their sustainable development.

香港檢測和認證局主席黃永德教授感謝創新科技署在疫情期間支援檢測認證業界，及時在「防疫抗疫基金」下推出首個專為檢測認證業而設的創造職位計劃，亦從善如流將每間機構可獲資助的名額由最多兩個增加至五個，務求更切合業界發展需要。獲資助的業界機構亦表示，計劃的資助讓他們可以聘請更多的員工，亦能夠協助他們培訓新員工，進一步增強公司競爭力，促進可持續發展。

Attracting Talents, Enhancing Professionalism 吸納人才，提升專業

Promoting T&C to Younger Generation

HKCTC has been endeavouring to participate in and organise an array of events to enhance the professional standards of the practitioners, as well as to facilitate continuously the understanding of the students and young persons about the industry to facilitate recruitment of talents.

向年輕一代推廣檢測認證

香港檢測和認證局一直透過參與及舉辦不同活動提升從業員的專業水平，持續促進學生及青少年對行業的認識和了解，以協助業界吸納人才。

InnoCarnival 2023 創新科技嘉年華 2023

HKCTC, together with Hong Kong Accreditation Service (HKAS), set up a booth with interactive games at InnoCarnival 2023 from 28 October to 5 November 2023 to instil concepts of T&C into the public. This year, the theme of the booth was "Green Testing and Certification", aiming to introduce T&C services related to environmental protection and Environmental, Social and Governance (ESG) and the importance of T&C sector in contributing to environmental protection and sustainable development, attracting close to 3,000 visitors.

香港檢測和認證局與香港認可處於2023年10月28日至11月5日，在創新科技嘉年華2023設立了一個包含互動遊戲的攤位，向公眾灌輸檢測認證的概念。今年攤位的主題是「綠色檢測和認證」，旨在介紹與環境保護和環境、社會和管治（ESG）有關的檢測認證服務，及檢測認證業在促進環境保護和可持續發展方面的重要性。攤位吸引近3,000名人士參觀。

HKUST Career Mosaic 香港科技大學 Career Mosaic

We set up a booth at Career Mosaic of the Hong Kong University of Science Technology on 13 October 2023 offering information on T&C sector and related job opportunities. The booth attracted a sizable group of students with many showing interest to look for job opportunities in the T&C sector on the spot.

我們於2023年10月13日在香港科技大學 Career Mosaic設立了攤位，介紹檢測認證業和相關工作機會。攤位吸引為數不少的學生，當中更有同學即場對投身於檢測認證業感到興趣。

Summer Laboratory Workshops for Secondary School Students 中學生暑期實驗室工作坊

We organised eight sessions of "Laboratory Workshops on Chemical Testing for Senior Secondary School Students" and six sessions of "Laboratory Workshops on STEM Teaching Kit for Junior Secondary School Students" in June - July 2023. Around 370 students in total participated in the workshops, where they were provided with the opportunity to conduct experiments from the teaching kits developed by the Council earlier, thereby inspiring their interest in science and testing.

我們於2023年6月至7月期間舉辦了八場「高中課程化學測試教學組件實驗室工作坊」和六場「初中檢測認證STEM教學組件實驗室工作坊」。合共約370名學生參加工作坊，藉着進行本局早前開發的教學組件中的實驗的機會，從而啟發他們對科學和測試的興趣。

Enhancing the Professionalism of T&C Practitioners

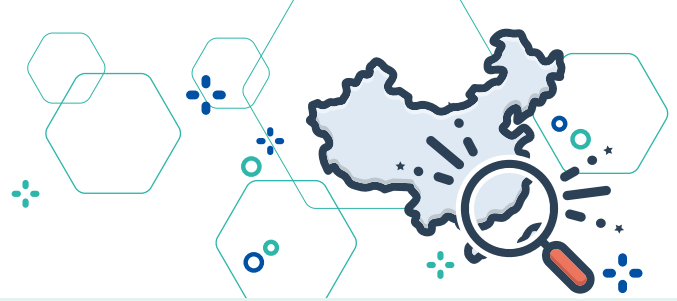

Professionalism and integrity are not only the foundation of good business, but also the core values of the T&C sector. HKCTC organised on 18 September 2023 "Seminar on Integrity and Professional Development in Testing and Certification Industry" with Hong Kong Business Ethics Development Centre of Independent Commission Against Corruption (ICAC) and HKAS. The Seminar adopted the hybrid mode where attendees participated physically at the Hong Kong Science Museum or online. The Seminar has attracted around 220 participants.

提升檢測認證從業員的專業水平

專業和誠信不僅是優良商譽的基石也是檢測認證業的核心價值。本局與廉政公署香港商業道德發展中心和香港認可處舉辦了「檢測認證誠信及專業發展研討會」。研討會採用混合模式，參加者可親身在香港科學館參加或線上參與研討會。是次研討會吸引了約220名參加者。

Exploring Opportunities in GBA 開拓大灣區機遇

HKCTC Chairman, Prof Wong Wing-tak, led a delegation to visit the SZAMR and took photograph with SZAMR's leaders.

本局主席黃永德教授率領代表團拜訪深圳市市場監督管理局，並與該局一眾領導合照。

The HKCTC has been endeavouring to assist the testing and certification (T&C) industry to open up business opportunities, and one of the major foci has been implementing publicity targeting the Greater Bay Area (GBA) through online and offline channels to promote the competitive edge of Hong Kong's T&C services. To enhance the trade's understanding about the operation and development of the market in the Mainland and to foster collaboration of the T&C industry between Hong Kong and Shenzhen, Prof Wong Wing-tak, HKCTC Chairman, led a delegation on 17 November to visit the Shenzhen Administration for Market Regulation (SZAMR), meeting with SZAMR's leaders including Director Cai Yingquan, Deputy Director Li Jun and Director of Metrology & Certification Division Guo Lijun. Through this visit, the delegation learned about the policy updates and key planning of the T&C industry in Shenzhen, facilitating the local T&C industry to deploy resources more targetedly for future promotion and business development in GBA.

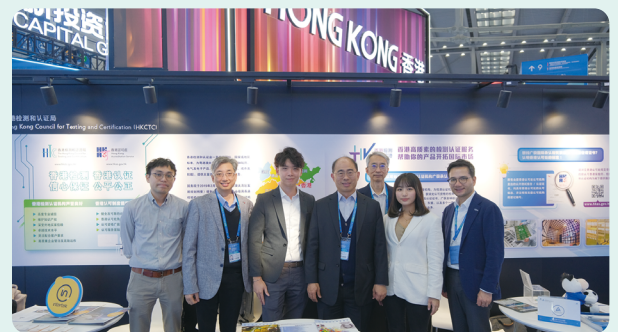

Besides, the delegation also visited the China Hi-tech Fair (CHTF) held in Shenzhen and HKCTC's booth set up therein, as well as attended the seminar "The Latest Development of the Testing and Certification Industry in Hong Kong" hosted by HKCTC, during which they exchanged views with exhibitors and audience. At the seminar, representatives from T&C bodies in Hong Kong shared about the strategies for enterprises meet the new requirements on environmental, social and governance (ESG), as well as the safety standards required for handling cybersecurity risks related to IoT (Internet of Things).

The Council will continue to encourage the T&C industry to grasp business opportunities through participation in networking trips and trade fairs. Meanwhile, we also launched in late November a new round of digital promotion targeting GBA via online platforms like Baidu and WeChat, aiming to promote to GBA cities in the Mainland the advantages of Hong Kong's T&C services and encourage potential users to adopt Hong Kong's T&C services for satisfying the demand of overseas clients, so as to help the industry explore more business opportunities.

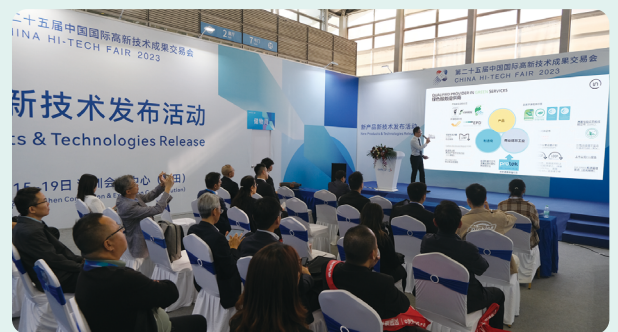

香港檢測和認證局一直致力協助業界拓展商機，而其中一個重要著力點就是透過線上線下的渠道，針對大灣區市場推廣香港檢測和認證服務的競爭優勢。為加深業界對內地市場運作及發展的了解，促進深港兩地檢測認證業的交流合作，本局主席黃永德教授於11月17日率領代表團，拜訪深圳市市場監督管理局，與蔡英權局長、李軍副局長、郭力軍處長等一眾領導會面。透過此次拜訪，代表團知悉深圳針對檢測認證業的政策動向和規劃重點，將有助於業界日後在大灣區宣傳和發展業務時，更有針對性地投放資源。

此外，代表團亦參觀於深圳市舉行的中國國際高新技術成果交易會，並到訪本局於場內設置的攤位，以及出席由本局舉辦的「香港檢測和認證業的最新發展」研討會，與參展機構和觀眾交流。研討會邀得香港檢測和認證機構的代表，分享企業應對環境、社會和管治 (ESG) 新要求的策略，以及物聯網產品為應對網絡安全威脅需達致的安全標準。

本局日後將繼續鼓勵業界透過參與交流團和展覽會的方式捕捉商機，同時我們亦已於上月底推出新一輪針對大灣區市場的線上宣傳活動，利用百度、微信等線上平台，向內地的大灣區城市推廣香港檢測認證服務的優勢，鼓勵潛在用家使用香港的檢測認證服務滿足海外客戶的需求，以助業界發掘更多業務機遇。

The delegation visited HKCTC's booth at the CHTF. 代表團參觀香港檢測和認證局於中國國際高新技術成果交易會場設置的攤位。

HKCTC hosted a seminar at CHTF which was joined by members of the delegation.

香港檢測和認證局於中國國際高新技術成果交易會舉辦的研討會邀得代表團成員參加。

Implementing Qualifications Framework Enhancing Professional Development in the Industry

落實推行資歷架構 有助行業專業發展

The Education Bureau (EDB) of the Hong Kong SAR Government officially launched the Qualifications Framework (QF) in 2008, with the aim at promoting a culture of lifelong learning for all individuals. To strengthen the implementation of the QF at industry level, EDB has assisted different industries to set up the Industry Training Advisory Committees (ITACs) of which the Testing, Inspection and Certification (TIC) ITAC was established in August 2010.

The sixth TIC ITAC (2023-2025).
第六屆檢測及認證行業培訓諮詢委員會 (2023-2025)。

Since its inception, the TIC ITAC has successfully completed / launched the following projects:

- developing the "Specification of Competency Standards" (SCS) for the industry
- rolling out the "Recognition of Prior Learning" (RPL) mechanism with The School of Science and Technology of the HKMU being appointed as the RPL Assessment Agency
- launching "Award Scheme for Learning Experiences" to award practitioners to attend local or overseas learning activities
- organising a series of activities in secondary schools to promote the TIC industry and career planning

香港特區政府教育局於2008年開始正式推行資歷架構，推動全民「持續進修、終身學習」。為進一步於行業落實資歷架構，教育局協助不同行業成立「行業培訓諮詢委員會」(諮委會)，而檢測及認證業諮委會亦於2010年8月成立。

諮委會成立至今，分階段完成及推出以下之項目：

- 完成《能力標準說明》，讓業界可以有一個清晰及客觀的能力標準
- 推出「過往資歷認可」機制，並由香港都會大學科技學院擔任評估機構
- 推出「學習體驗獎勵計劃」以獎金形式獎勵從業員參加本地或境外學習活動
- 向學界推廣檢測及認證業，安排一系列活動以增加學生們對行業的認識，提升他們日後選修相關學科及入行的機會

To learn more about the achievement of TIC ITAC, please visit its website:

想認識檢測及認證業諮委會的工作，可瀏覽其網頁：
